

# When Working More Than Six Feet Above Ground

## Protect Yourself With These Hurricane Clean-Up Habits

DO

DON'T

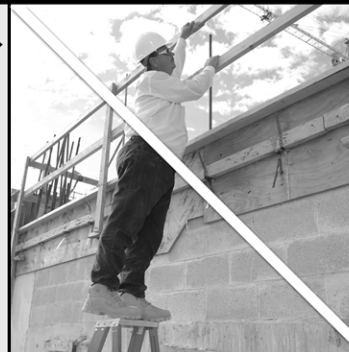

**1** Do not work above six feet high without being tied off or by using a guardrail system.

**2** Always make sure that scaffolds have guardrails. It is the law when working platform is over 10' high.

**3** Never stand on the top rung/step of a ladder.

**4** Identify all trip and fall hazards before starting work.
